Register your card type (**Carrs**) and your card number. **This number is not your phone number**, (though it's linked to it). **Your member ID number is on your Carrs-Safeway card. If you don't have a card or lost it call Safeway's customer service at 1-877-723-3929 and follow the prompts** and a representative will give you your number. *This is the only way to get your number if you've lost your card.*
