

# KETCHIKAN CHARTER SCHOOL

---

## KGBSD Travel Quarantine & Testing Protocols

*Updated March 4, 2021*

Parents and Guardians,

As of March 4, 2021, the district decided to continue the 5-day quarantining policy with one minor change. Please notice the following directions about travel and remember our goal is to do everything possible for our school to remain open.

Individuals traveling out-of-state **or in the State of Alaska** must quarantine for a minimum of 5 days with a negative test within 5-7 days upon return to school. We still are asking parents to monitor closely for any symptoms for 14 days after arrival.

We know this is different from the community requirements, but the district decided to be vigilant and continue to do what has worked for us so far for the school to remain open. We continue to place your child's safety and education first.

We thank you for your cooperation during this difficult time.

Sincerely,

Kayla Livingston, Principal
