### NOTES FROM THE PRINCIPAL

The 2017-2018 school year is now officially over and it's time to take a well deserved break and focus on the next school year. When students return in August, Kayhi will be driving all behavior expectations using the following four words: **Respect, Responsible, Safe, and Kind**. Focusing on positive behavior in our school will improve our school climate and help students become more attached to Kayhi as an active member of our school community. Providing explicit expectations will make learning the main focus of every classroom and allow teachers to manage inappropriate behaviors without taking away from learning opportunities. Every year is an opportunity for us to improve as a school and in 2018-2019 we will strive to build upon the solid foundations we have at Kayhi! Have a great summer and we'll see you on August 23rd!

### STAFF CHANGES AT KAYHI

We say good-bye to long time paraprofessional, **Kathy Yates**. Kathy has been at Kayhi for 19 years. She is leaving 'the rock' and heading to drier lands. **Zara Nesbitt**, KHS' health/biology/vocational medical teacher is leaving after spending the last five years here teaching. She and her husband are on their way to Wenatchee, WA to begin their new adventures in life. Replacing Zara will be **David White** from North Point Higgins Elementary. Welcome aboard, David! Our new culinary teacher will be **Cameo McRoberts**. Cameo is a local resident who brings with her many years of being a chef. We can't wait to see what you're going to whip up, Cameo! Our awesome, amazing activities director, **Lynn Wadley** will be retiring after 16 years at KHS. She was also our registrar for a number of years. Lynn plans on hanging around K-Town unless the travel bug takes over and then, who knows. Our new AD will be **Melissa Johnson**. Melissa was born and raised in Ketchikan and will be a great asset to the program. **Todd Henke**, our welding and yearbook teacher is transferring to Schoenbar to become their vice-principal. Good-luck, Todd! **David Lindquist** from Barrow will be our new welding teacher. Last but not least, Kayhi's Vice Principal, **Mike Rath**, is hanging up his hat after 29 years. He will be working on all of those hobbies and projects that took a second to his duties as the VP. **Cole Maxwell**, a former KHS math teacher, will be transferring back to Kayhi from Houghtaling where he's been their Vice-Principal. Cole, you have some big shoes to fill but we know you can do it! We would like to thank each of our retirees for their time spent with us. You played a major part in the success of our students. We wish you all the best that life has to offer and may your retirement be all that you've dreamed it to be.

### SEMESTER 2 REPORT CARDS

If your student's report card is not included with this mailing, it is for one of three reasons: Your student may have not completed the check-out procedure, did not return the check-out sheet, or owes fees or fines. All fees and fines need to be paid by **June 18<sup>th</sup>** in order to receive your student's report card. If fees are not paid by that date you will have to wait until **August 6<sup>th</sup>** (when the office opens) to pay them. Student report cards, access to PowerSchool, locker assignments or next year's schedule will not be handed out until all fees/fines are cleared. To get your student's report card, please call our registrar, **Kelli Carlin-Auger at 228-0414** and she'll be able to assist you.

### OFFICIAL TRANSCRIPTS

Congratulations 2018 graduates! You should have received your official, final transcript when picking up your diploma. Be sure to store it in a safe and secure place for future use and reference. If you requested that a final transcript be mailed to a college or vocational school it has been done. If you have forgotten to request this service, please call the high school's registrar, **Kelli Carlin-Auger at 228-0414** with the necessary information to ensure that your transcript has been sent and to prevent any delay in your admittance process to college.

### CLOTHING DONATION

If you have honor cords and/or prom dresses taking up room in your closet, please think of KHS as a new home for them. We quite often have students who are in need of these items and your donation would be most appreciative. You may bring the articles of clothing into the main office. Thank you in advance for your kindness.

### SUMMER LUNCH PROGRAM

KGBSD will once again be providing lunch for children and adults **Monday-Friday from 11:30pm-1:00pm** at Schoenbar Middle School beginning **June 11<sup>th</sup> through August 17<sup>th</sup>**. This program is free to children under 18; adults are \$5.00.

## SENIORS WITH SCHOLARSHIPS

Congratulations to the seniors who received scholarships to study something somewhere. Remember the importance of sending thank you notes to scholarship providers. Once they invest in you, they have a personal interest in watching you succeed. They always appreciate notes showing progress in your school programs. For the hundreds, thousands or tens of thousands you received, a short personal note is very much deserved. Best wishes with your post-secondary education.

## KAYHI'S CLASS ACT 2022

The freshmen transition program invites all incoming 9th graders to Kayhi on **Friday, August 17th from 9am-Noon** for a fun day learning about Kayhi, getting lockers, schedules, and a free lunch. Welcome to Kayhi, as a King, and have a great summer!

## SENIOR PORTRAITS, BABY ADS & YEARBOOKS

Summer vacation is a good time to get senior portraits taken and baby pictures found, as the due date for submission to the yearbook is early in October. Please take time this summer to get your pictures taken. Our yearbook advisor will be Allegra Machado. If you have questions, please email her at [allegra.machado@k21schools.org](mailto:allegra.machado@k21schools.org)

## CLOSE UP 2019

Have you ever wanted to visit our nation's capitol? Next June, Mr. Mitchel and Mrs. Campbell will chaperone a ten-day Close-Up trip to Washington D.C. Close Up's High School Programs are designed to give students an inside look at their democracy in action. Using the nation's capital as a living classroom, participants get a "close up" view of government - interacting with the people, processes, and places that make this federal city so unique. Estimated dates of travel are May 30 - June 8, 2019. The approximate cost of the trip is \$2500, which includes airfare, hotel, food, and transportation. To help reduce costs, we will offer families fundraising options and a payment plan. For more information about Close Up, please contact Mr. Mitchel directly at: [David.Mitchel@k21schools.org](mailto:David.Mitchel@k21schools.org). And, visit the Close Up Web site at: <https://www.closeup.org/>
