NOTES FROM THE PRINCIPAL

The 2018-2019 school year is officially closed. As we send the Class of 2019 on to the next chapter of their lives, we wish them well on their way and hope for all the success in the world. The end of this school year also ushers in more change for Kayhi. After having the amazing opportunity to be the Principal of Kayhi these past four years it is time I move on to my next adventure. I have been so impressed with the caliber of students Kayhi produces and I know it's because they are a direct reflection of a community that seeks the best for all students. It has been so much fun to see the students win not only state championships but national ones as well, but more importantly to see our students make the most out of their education at Kayhi. I will miss this school dearly and cherish the great relationships I have made while here. I won't say goodbye but rather see you the next time I see you. Once a King, always a King! GO KAYHI!

STAFF CHANGES AT KAYHI

We say good-bye to paraprofessional, Elena Rath. Elena has been at Kayhi for 5 years. She is planning to stay in Ketchikan but do a bit more traveling with her husband. Can one say Snowbird? ☺ Ben Borgelt has been our Spanish language teacher for the past 2 years. He and his family are moving to Idaho and we wish them all of our best! Michael Cron, one of KHS' awesome social studies teachers (for 13 years), is moving up the ladder and is heading on over to Houghtaling Elementary as their principal. Congratulations, Michael! Last but not least, Bob Marshall, Kayhi's principal for 4 years is also moving, as Washington State is calling his name. Thank you for being one of the most active, popular principals Kayhi has seen and for bringing us into the 21st century of technology.

We welcome to our staff: Meri Miller--our new welding teacher. Meri has hung up her hat as a Barrow Warrior to become a Kayhi King! Robin Hartman is coming to us from just up the road—Glenallen, Alaska, and she will be our new Language Arts teacher. Rounding out the newbies, is Jason House. Mr. House will be our new principal and he is travelling all the way from Arkansas. Safe travels, Mr. House. Welcome everyone...see you all in August!

SEMESTER 2 REPORT CARDS

Your student's report card is now ready online. If you cannot access PowerSchool, it is for one of three reasons: Your student may have not completed the check-out procedure, did not return the check-out sheet, or owes fees or fines. All fees and fines need to be paid by **June 10th** in order to receive your student's report card. If fees are not paid by that date you will have to wait until **August 13th** (when the office opens) to pay them. Student report cards, access to PowerSchool, locker assignments or next year's schedule will not be handed out until all fees/fines are cleared. To get your student's report card, please call our registrar, **Kelli Carlin-Auger at 228-0414** and she'll be able to assist you.

OFFICIAL TRANSCRIPTS

Congratulations 2019 graduates! You should have received your official, final transcript when picking up your diploma. Be sure to store it in a safe and secure place for future use and reference. If you requested that a final transcript be mailed to a college or vocational school it has been done. If you have forgotten to request this service, please call the high school's registrar, **Kelli Carlin-Auger at 228-0414** with the necessary information to ensure that your transcript has been sent and to prevent any delay in your admittance process to college.

CLOTHING DONATION

If you have honor cords and/or prom dresses taking up room in your closet, please think of KHS as a new home for them. We quite often have students who are in need of these items and your donation would be most appreciative. You may bring the articles of clothing into the main office. Thank you in advance for your kindness.

SUMMER LUNCH PROGRAM

KGBSD will once again be providing lunch for children and adults **Monday-Friday from 11:30pm-1:00pm** at Schoenbar Middle School beginning **June 3rd through August 16th**. This program is free to children under 18; adults are \$5.00.

SENIORS WITH SCHOLARSHIPS

Congratulations to the seniors who received scholarships to study something somewhere. Remember the importance of sending thank you notes to scholarship providers. Once they invest in you, they have a personal interest in watching you succeed. They always appreciate notes showing progress in your school programs. For the hundreds, thousands or tens of thousands you received, a short personal note is very much deserved. Best wishes with your post-secondary education.

KAYHI'S CLASS ACT 2023

The freshmen transition program invites all incoming 9th graders to Kayhi on **Friday, August 23rd from 9am-Noon** for a fun day learning about Kayhi, getting lockers, schedules, and a free lunch. Welcome to Kayhi, as a King, and have a great summer!
