Parent-Student Contract:

We commit to Morning Marathoners because we believe running helps us develop a positive, cooperative attitude, to experience the connection between our efforts and successes, and to have fun and participate in a healthy activity.

For safety and the upkeep of our gym floor, **runners need to wear athletic shoes for ALL practices.**

I, _____ understand that I am expected to maintain a positive attitude, be respectful to all coaches and runners, pay attention and follow directions and rules at all practices and stay in areas as directed by coaches. I will wear athletic shoes for all practices. I will have extra clothes/shoes for changing on the rainy days.

I understand the following:

1. On a first offense, I will be required to have a conference with my coach and parents.
2. On a second offense, I may be suspended from a practice.
3. On a third offense, I may be suspended from the program for the rest of the year.

We as coaches look forward to meeting Dolphin runners,
