

2019/2020

Houghtaling

Dear Students,

Hey it's the top of the elementary experience! I look forward to hearing all about your summers, so make sure you: explore lots, have many adventures, and observe everything. (You could also read...I really like hearing about that, you know)

You may need to replace a few items that we use all the time such as:

- 1) 1 dozen #2 pencils or mechanical pencils (size .7). **Label** with your name.
- 2) 1 set of colored pencils (twistable are the best) we will use these everyday throughout the year.
- 3) Large glue sticks. These are also used everyday and will need to be replenished.
- 4) A set of your own headphones for the iPads and computer.
- 5) A couple folders (not binders) one will need to be sturdy as it will be your homework folder for the entire year
- 6) A package of college rule lined paper.
- 7) A pair of scissors labeled with your name
- 8) A large box of Kleenex
- 9) A small desk pencil sharpener (there is not a classroom sharpener) These get dull and need to be replaced about half way through the year, however, they are not necessary if you have mechanical pencils and twistable colored pencils.

On the first day of school we will be doing a project on our names. For this to be successful, you will need to go through pictures of yourself. Somewhere around 10 or so will be the best. They should be pictures focused on you and not others and can be throughout the years.

I hope you enjoy the rest of your vacation. See you around town.

Sharon Carson
